

## HISTORY

**Senior Citizens Concern Ltd (SCCL)** is a non-profit making company which has its origins in 1973, when, in answer to community needs, concerned local people began to actively help old people with laundry, fuel and house repairs. In 1985, in response to ever growing need, the company built ten houses for older people at Ban Aiteann, Ramsgrange. In 1995, urged on by the success of their project, and with the aid of grants, donations and fund raising, SCCL was delighted to establish the St Louis Day Care Centre in Ramsgrange in what was formerly the St. Louis Girls' National School. The establishment of the Centre was due to dedicated endeavour by the Board of Directors, and the generosity of the St Louis Sisters, in consultation with relevant public bodies. Later, a transport system evolved along with other essential services and as requirements grew, new facilities were added until the Centre has become the high quality, state-of-the-art community resource it is today. St Louis Day Care Centre is proud to provide quality day care, essential services and a social/recreational/educational outlet to older people in the area. Priority is given to the enablement of older people to live independently. The area encompasses two Dispensary Districts in South West Wexford, an area of twenty-five square miles – inclusive of the five Parishes of Ramsgrange, Duncannon, Templetown, Horeswood and Tintern.

### Ethos

Every care has been taken to make the Centre welcoming, comfortable and accessible to all. It stands in its own grounds with an open aspect garden and patio. Renewal, upkeep and extension of the fabric of the Centre is on-going.

The Centre is run by a welcoming, long-established, skilled staff for whom the welfare of its clients is a priority. There is a very special work ethos among staff who treat each older person with dignity and respect and in confidence.

Clients are treated and cared for at the Centre by various professionals, including local doctors, local health nurse and in-house nurse. Care assistants provide close supervision on a one-to-one basis or as a group.

### How to apply?

If you feel that you, or a relative or friend might like to attend the Centre or avail of any services we provide, please contact your District Nurse or the Centre directly on **051 389 509**. Feel free to call into the Centre at any time.
